Today I am listing four if these cool old Shrock diecast Studebaker vehicles. All check them all out, will combine purchases to save on shipping.

Here is a nice 3 1/2" long diecast 1957 Studebaker pickup truck. Box indicates truck marked "Shrock 92, J-3 E-7". Very rich color, bolder than my photos show.

I take packaging very seriously. I have no formal return policy and as such eBay descriptions. If an item is received and is significantly different than described satisfactory outcome for you. Do not return an item without my prior approval. but usually sooner. Review my feedback and ask questions, thanks.
