11/8/2015Shrock Model 1958 Packard Hawk Tiny Die Cast Car | eBay

This is a model of a 1958 Packard Hawk with original box

It is all original and black in color with gold fins.

Made by the Shrock Bros. and is no longer in production.

Model is in great shape but wheels hang up a little but do turn. Has only been displayed in a non-smoking home.

I believe it is 1:72 scale. About 3 inches long.

These models are constructed from pewter with a hand rubbed acrylic enamel finish. The wheels are made from butyrate sheets
