Today I am listing four if these cool old Shrock diecast Studebaker vehicles. All check them all out, will combine purchases to save on shipping.

Here is a nice 3 1/4" long heavy diecast 1960 Studebaker Champ pickup truck. Bottom of truck marked "Shrock 92, J-2 Champ." Very rich color, bolder than most.

I take packaging very seriously. I have no formal return policy and as such eBay descriptions. If an item is received and is significantly different than described satisfactory outcome for you. Do not return an item without my prior approval. but usually sooner. Review my feedback and ask questions, thanks.

International Buyers – Please Note:

- Import duties, taxes and charges are **not included** in the item price or shipping charges. These charges will be added to your bill.
- Please check with your country's customs office to determine what these additional costs will be prior to shipping.
- These charges are normally collected by the delivering freight (shipping) company or when you pick up your item. Please allow for these additional charges.
- We do not mark merchandise values below value or mark items as "gifts" - US and International govt regulations require this behavior.

All shipping fees are firm.
